

NOVAIR 2000

JUST THE FACTS

The **NOVAIR 2000** started the revolution in **Rotationally Molded Negative Air Machines**.

With years of unparalleled durability and proven performance,

the Novair was, is, and will continue to be the *premier* Negative Air Machine available.

High Density Polyethylene Body

The Novair 2000 will stand up to the harshest conditions.
Proven durability with over 5000 units in use!

Unsurpassed Performance

The Novair has the highest Horsepower rating in the industry guaranteeing higher air flow, longer filter life and greater reliability than any other machine. **Guaranteed !**

Safe and Secure!

All Novair 2000s use **UL & CE listed** electrical components.
Comes complete with 2 speed rocker switch, circuit breaker protection, and an accurate mini helic pressure gauge to assure proper performance.

Proven, Unsurpassed Life

Over 99% of machines sold remain in the field!

Non Flammable, Polyethylene Construction

Meets UL 94 Flammability Standards. Classified Not Flammable in accordance with 29 CFR 1910.1200.

Lightest 2000 CFM Machine Available

Don't be fooled by misleading claims regarding weight of machines with "special" filters solely supplied by a manufacturer. Novatek's weights are based on the **industry standard 2000 CFM certified** 24x24x11.5 inch HEPA filter. A mere 118 lbs with General Purpose Filter and 135lbs with INDUSTRY STANDARD HEPA!

8 Point Vibration Dampened Blower Motor and Cage

Prevents shifting even under the harshest conditions!

Tool-Less Filter Change Out

The ONLY unit to offer a tool-less filter change out. All filters can be removed and replaced in less than 5 minutes **IN THE FIELD**

Turn Key Operation

Machines are shipped on solid hardwood skids and are ready for operation directly out of the box. No assembly required!
Units can stack **6 pieces high** to reduce overall required warehouse storage space.

On Site Stack-Ability

Center rib design allows for 3 unit field stacking with nylon ratcheting straps!

The Ultimate in Job Site Durability!

Please request a free video or visit www.NovatekCo.com to witness the unbelievable durability of the Novair 2000.

Watch as the Novair endures punishment your crew could never dream of! Witness the Novair 2000 being pushed down a flight of stairs, dropped and flipped, and even thrown off a 6 foot loading dock; all while running!

The Novair never misses a beat. Can your Negative Air accomplish this feat?

We dare you!

SOME DOGS ARE ALL BARK AND NO BITE!
